FRESH, FROZEN LICKABLE SNACKS

Our yogurts and bone broths are carefully crafted to include nature's colorful superfoods to support healthy digestive & immune systems, joints, skin & coats

ARTISAN YOGURT

SMART SNACKSTM

Three Delicious Flavors :

MADE WITH MILK
FROM HAPPY COWS

Chillin Cherry • Wild Blueberry • Butternut Mutt

Lowfat yogurt packed with billions of probiotics, pumpkin, unsweetened applesauce, tart cherry OR wild Maine blueberries, OR butternut squash, organic Ceylon cinnamon, alcohol-free vanilla

- ♡ Probiotics provide live cultures for healthy digestion and immune support
- ♡ Tart Cherries & Wild Blueberries are "superfruits" bursting with antioxidants & phytonutrients
- ♡ Wild blueberries have 4x more antioxidants than cultivated blueberries
- ♡ Butternut squash is a great source of vitamin C for immune support
- ♡ Apples are loaded with Vitamin A & C. They also contain Omega 3 & Omega 6, contributing to healthy skin & glossy coats

REAL BONE BROTH

BONE BREWS[®]

Three Handcrafted Recipes:

Turkey • Turkey Veggie • Beef Veggie

Slow-braised turkey OR beef broth made from grass-fed animals humanely raised on open pastures. Roasted premium marrow & knuckle bones, then simmered with cider vinegar & organic carrots in filtered water for 30-50 hours. All brews have turmeric & ginger. Veggie brews include organic sweet potato.

- ♡ REAL gelatin-rich bone broth is dense in vitamins, minerals, proteins, amino acids & nutrients, including collagen, glycine, glucosamine & chondroitin
- ♡ Bone broth is known to enhance coat/skin, joint, digestion & immune system health, providing natural ANTI-INFLAMMATORY nutrients
- ♡ Turmeric is a natural anti-inflammatory & pain reliever with cancer-fighting properties
- ♡ Ginger is known to promote healthy digestion and is loaded with antioxidants
